

## SHIFT CONFERENCE TABLE

A pieced solid wood tabletop with metal details. Grain-matched lids hide data and power ports. Cables can run through a channel beneath the tabletop and the asymmetrical Prism base.

Power and data options are available.

Shown: Ebonized maple + Brass + Black recycled paper composite

AVAILABLE in most Urban Hardwoods material options and combinations.

DIMENSIONS - L x W x H

96" x 42" x 29" | 120" x 46" x 29" | 144" x 50" x 29"
